High-fi Prototype

Shopping Cart

Glaze

Vanilla

Quantity

\$4.80

Changes from Assignment 5

- Javascript:
 - Added the Add to cart functionality which shows an alert box pop up and also increments the counter to display the number of items in the cart.
 - Added the glaze and quantity customizations which highlights the options selected by the user.
- HTML + CSS
 - Added the shopping cart page to match the design aesthetics and style of the website overall and display to the users the items present in the cart.
